Proactive Health INC.

Reg. Office :

📍 B-1005/1006, Empire Business Hub,
Nr. Auda Water Tank, Science City Main Road,
Sola, Ahmedabad- 380060, Gujarat, India.

Works :

🏭 5, Maruti Industrial Estate, Nr.GEB Office,
Santaj-Khatraj Road, Ta. Kalol,
Dist. Gandhinagar-382721, Gujarat, India

 **PROACTIVE**
Care for Life

Proactive Health INC.

About Us

PROACTIVE HEALTH INC, since the year inception -2007, the PROACTIVE HEALTH INC (PHI) has accumulated a spectacular 15 years of experience in unveiling the numerous and unique marketing preposition which has taken its clients to the peak.

Unravelling from its modest and humble beginnings to a full-fledged complete medical device manufacturing company, it now prides itself as a holistic incorporation in manufacturing, Sales & Distribution of Medical & Healthcare devices.

PHI, believes in manufacturing the upmost quality products from its facilities with maintaining the stringent quality checks at every process of manufacturing of any products produced.

At a moment PHI has two facilities in the peripheral of Ahmedabad with one engaging in the manufacturing of complete plastics for its devices with in house moulding and spark machines to give edge over others, where the other unit has state of art assembly lines to deliver the products in the quickest possible time. The company has obtained Class A B & C manufacturing licences, its has also acquired a land of aprox 62000 sq. .ft to build state of art manufacturing facility under one roof in the near future.

Vision

To get recognized as a leading company into manufacturing and marketing of most efficient and economical medical equipments for varied medical needs.

Mission

To reach out every medical need by fostering technology and knowledge in manufacturing the most reliable plastic and electronic healthcare devices for better life.

AUTHORITY CERTIFICATION

2007

PHI founded for Supplies of Medical Devices

2014

Started Manufacturing of Plastic.

2019

Obtained medical device Manufacturing Licence

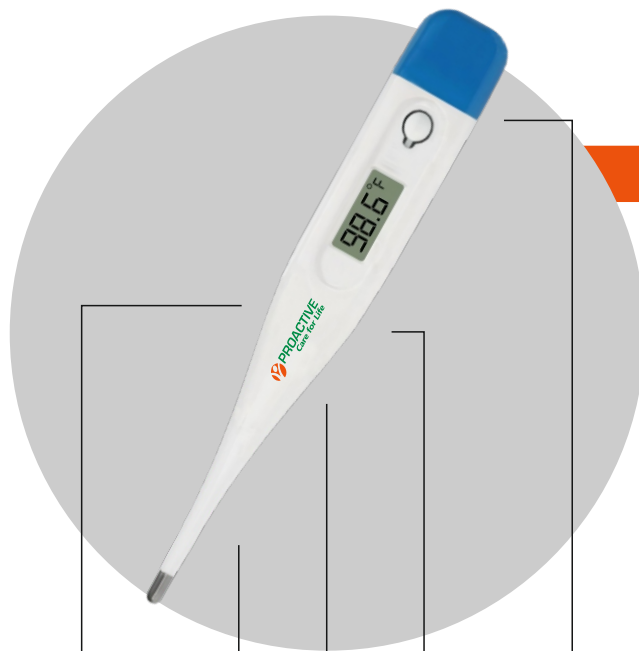

2021

Integrated in to Composite unit under one roof

BODY TEMPERATURE MANAGEMENT

HARD TIP THERMOMETER

PO-05

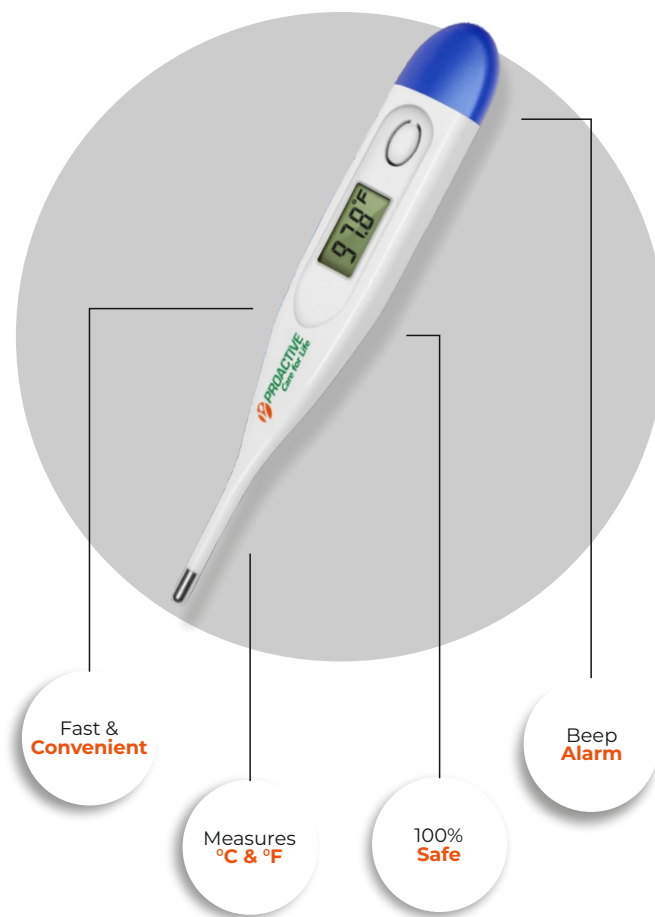

- Take 60 Seconds to measure body temperature.
- Easy to read LCD display
- Beep sound
- Range of Measurement 89.6°F - 109.2°F
- Toggle to °F and °C
- Accuracy $\pm 0.2^\circ\text{F}$
- Last Memory Function

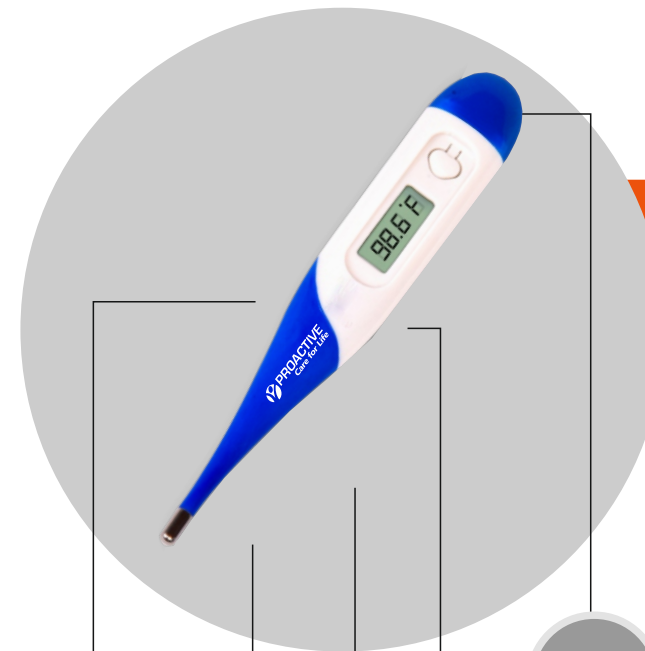

HARD TIP THERMOMETER

PO-10

- Take 60 Seconds to measure body temperature.
- Easy to read LCD display
- Beep sound
- Range of Measurement 89.6°F - 109.2°F
- Toggle to °F and °C
- Accuracy $\pm 0.2^\circ\text{F}$
- Last Memory Function

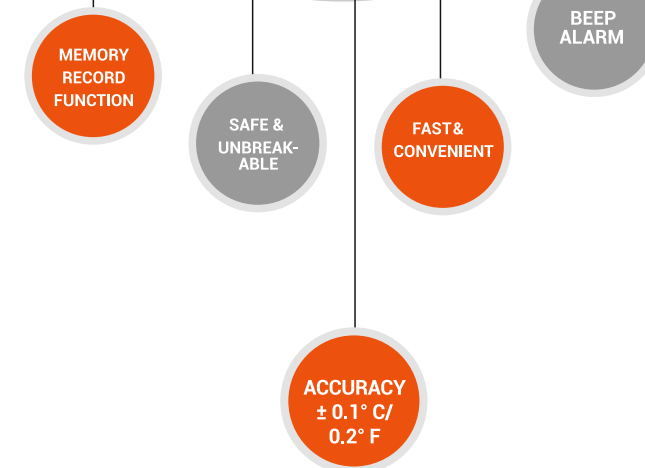

BODY TEMPERATURE MANAGEMENT

FLEXIBLE TIP THERMOMETER

PFT-10

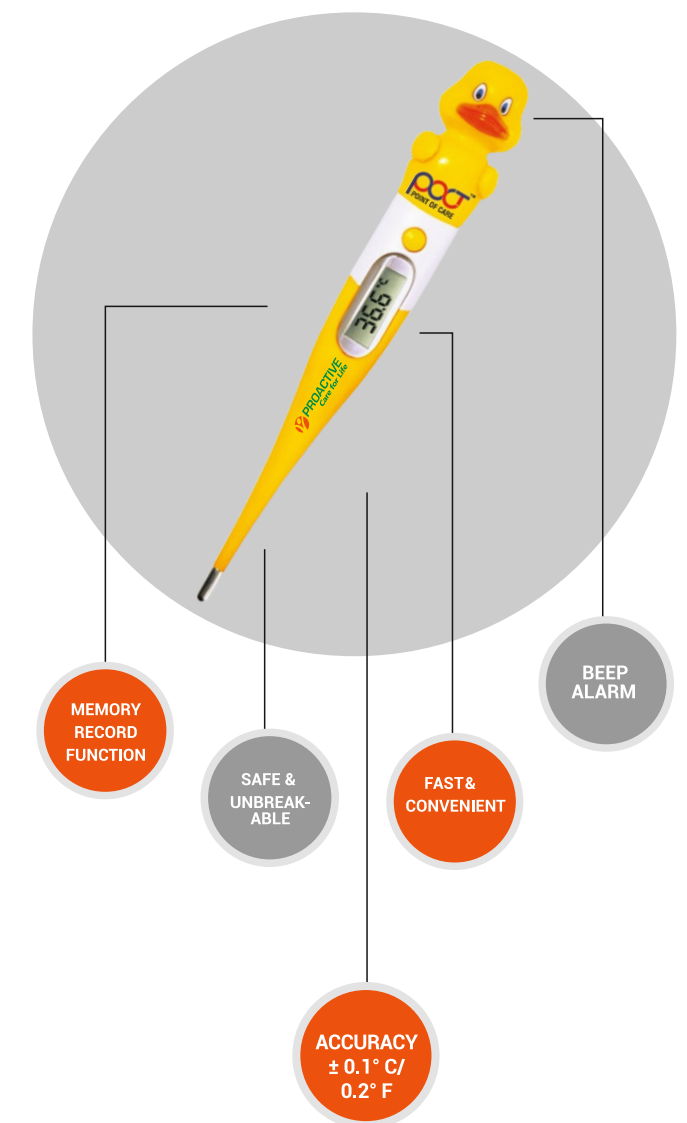

- Take 60 Seconds to measure body temperature.
- Easy to read LCD display
- Beep sound
- Range of Measurement 89.6°F - 109.2°F
- Toggle to °F and °C
- Accuracy $\pm 0.2^\circ\text{F}$
- Last Memory Function

KIDS FLEXIBLE TIP THERMOMETER

PKFT-10

- Take 60 Seconds to measure body temperature.
- Easy to read LCD display
- Beep sound
- Range of Measurement 89.6°F - 109.2°F
- Toggle to °F and °C
- Accuracy $\pm 0.2^\circ\text{F}$
- Last Memory Function

BLOOD GLUCOSE METER

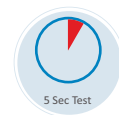

BLOOD PRESSURE MONITOR

GLUCOSPOT GLUCOMETER

PGS-10

- Biosensor Technology
- AST (Alternate Site Testing)
- Date & Time Function
- 5 sec Test
- 500 Memory
- No Coding
- Ejection button
- 0.5uL blood drop
- Low battery indicator

GLUCOSPOT GLUCOMETER

PGS-09

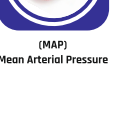

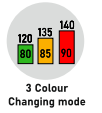

- Biosensor Technology
- AST (Alternate Site Testing)
- Date & Time Function
- 5 sec Test
- 500 Memory
- No Coding
- 0.5uL blood drop
- Low battery indicator

BP MONITOR

PBM-09 ADVANCE

- Acrylic Cover
- Accurate Result
- 2x99 Memories Recall
- USB Operated, C type Cable
- Rechargeable, battery
- Display Pulse, Systolic Pressure, Diastolic Pressure
- WHO BP Classification Indicator
- One-Touch Operation
- Automatic power-off
- Large LCD Screen Display

BP MONITOR

PBM-06 ADVANCE

- One-Touch Operation
- High Accuracy
- 2x99 Memories Recall
- USB Operated, C type Cable
- Rechargeable, battery
- Display Pulse, Systolic Pressure, Diastolic Pressure
- Arrhythmia monitoring
- Large LCD Screen Display
- Automatic power-off

BP MONITOR

PBM-01+

- Works with Micro USB Cable
- 99 Sets of Storage (2 People)
- Highly Accurate & Reliable
- One-touch Operation
- Easy to Check BP at Anywhere
- Display Pulse, Systolic Pressure, Diastolic Pressure
- Arrhythmia monitoring
- Large LCD Screen Display
- Automatic power-off

NEBULIZER MACHINE

NEBSPOT PLUS NEBULIZER

PNS-22

- 100% Copper Winding
- Shock Resistant ABS Plastic Body
- Attractive Design
- Highly Effective to use for Respiratory
- Low Noise Level
- BIS Standard Cable
- Silicon Legs for Better Stability
- Convenient Handle
- Reliable Long Life Compressor
- Best for Longer & Continuous Use

NEB SAFE NEBULIZER

PNS-22

- Best for Longer & Continuous use
- Attractive Design
- Highly Effective to use for Respiratory
- Low Noise Level
- BIS Standard Cable
- Silicon Legs for Better Stability
- Convenient Handle
- Reliable Long Life Compressor

NEBPOINT NEBULIZER

PNP-05

- 100% Copper Winding
- Shock Resistant ABS Plastic Body
- Attractive Design
- Highly Effective to use for Respiratory
- Low Noise Level
- BIS Standard Cable
- Silicon Legs for Better Stability
- Convenient Handle
- Reliable Long Life Compressor
- Best for Longer & Continuous Use

NEBULIZER MACHINE

NEBSTAR NEBULIZER

POC-50

- Best for Longer & Continuous Use
- Reliable Long Life Compressor
- Attractive Design
- Highly Effective to use for Respiratory
- Low Noise Level
- BIS Standard Cable
- Silicon Legs for Better Stability
- Convenient Handle

MESH NEBULIZER MACHINE

MESH NEBULIZER

PHMN-09

- Intelligent Respiratory
- Working Silently
- Light weight Easy to Carry
- Portable & Smart (Nebulizer Anytime Anywhere)
- Fine Practical Size
- Single Push button Operation
- Timing Function (Auto-off After 20 Minutes)
- USB Port & Battery

INFRARED THERMOMETER

1 Sec INFRARED THERMOMETER

P1S2

- Backlit Display
- More Hygienic Way to Check Body Temperature
- 32 Memory Recalls
- Measures in 1 Second
- Results with Beep Notification
- Free Your Baby of Disturbance During Sleep
- Instantaneous & Clinically Tested
- Toggle Between Fahrenheit & Celsius Unit
- Low battery indicator

BREAST FEEDING PUMP

MANUAL BREAST PUMP

MBP-10

- Baby Safe Material
- Portable
- Gentle Stimulation
- Light Weight
- Unique Design
- Easy to Assemble
- Easy to Carry

INFRARED THERMOMETER

NC110

- Unique Design
- More Hygienic Way to Check Body Temperature
- 32 Memory Recalls
- Measures in 1 Second
- Results with Beep Notification
- Free Your Baby of Disturbance During Sleep
- Instantaneous & Clinically Tested
- Toggle Between Fahrenheit & Celsius Unit
- Low battery indicator

Electric Breast Pump

EBP-10 (A)

- Comfortable to use While Sitting
- Special Mode to Extract residual Milk
- 3 Operating Modes
- Baby Safe Material
- Easy to Assemble
- Natural Sucking Action
- Portable
- Gentle Stimulation
- Light Weight
- Independent Controls

Rechargeable

Function

PULSE OXIMETER

PO-12

- Two Colors OLED Display
- Alarm Function
- Low Power Consumption
- Small & Light Weight
- Adujstable Display
- Low Perfusion
- Auto Power-off
- Precision Result

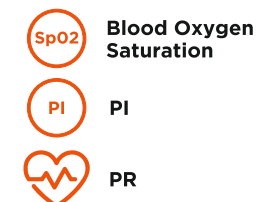

PULSE OXIMETER

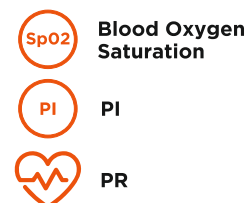

PO-20

- Two Colour OLED Display
- Four Direction Displ y Adjustable
- Low Power Consumption
- 50 Hours Continues Displ y
- Automatic ower Off
- Pulse Sound Function
- Portability
- Continues Monioring
- High Brightness OLED Display
- Small & Lightweight

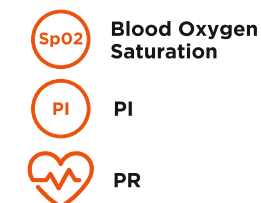

G&W-01

- Two Colour OLED Display
- Four Direction Displ y Adjustable
- Low Power Consumption
- 50 Hours Continues Displ y
- Automatic ower Off
- Pulse Sound Function
- Portability
- Continues Monioring
- High Brightness OLED Display
- Small & Lightweight

PO-01

- Low Batery Indicaation
- Heart Rate (Bpm)
- One Key Control
- Blood Oxygen(Spo2)
- Energy Efficient
- Real Time Measurement
- Precision Result

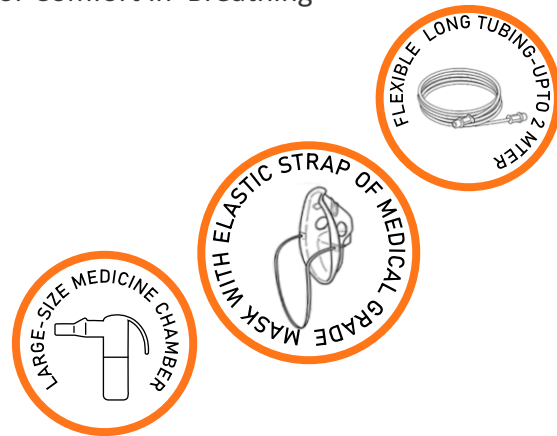

NEBULIZER KIT

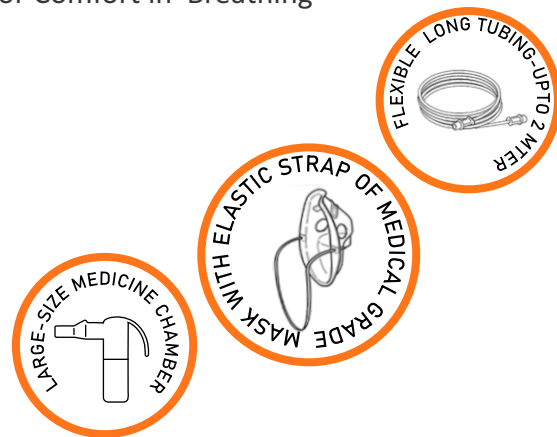

ADULT

- With Adjustable Flow
- For Comfort in Breathing

CHILD

- With Adjustable Flow
- For Comfort in Breathing

VEIN FINDER

VEIN VIEWER

PHI100

- 18 Ultra Bright LEDs
- Optimal Aea of Illuminaation
- Small & Portable
- ON/ OFF Butom
- Rechargeable Batery
- Reduces the Patie t Discomfort
- O-Shaped-Desing
- One Super Bright Light Emitting Diode
- Superficial veins can be access easily
- Rechargeable in built batery

INFANT/ PEDIATRIC

PHI50

- 20 Ultra Bright LEDs
- Optimal Aea of Illuminaation
- Small & Portable
- ON/ OFF Butom
- Rechargeable Batery
- Reduces the Patie t Discomfort
- O-Shaped-Desing
- One Super Bright Light Emitting Diode
- Superficial veins can be access easily
- Rechargeable in built batery

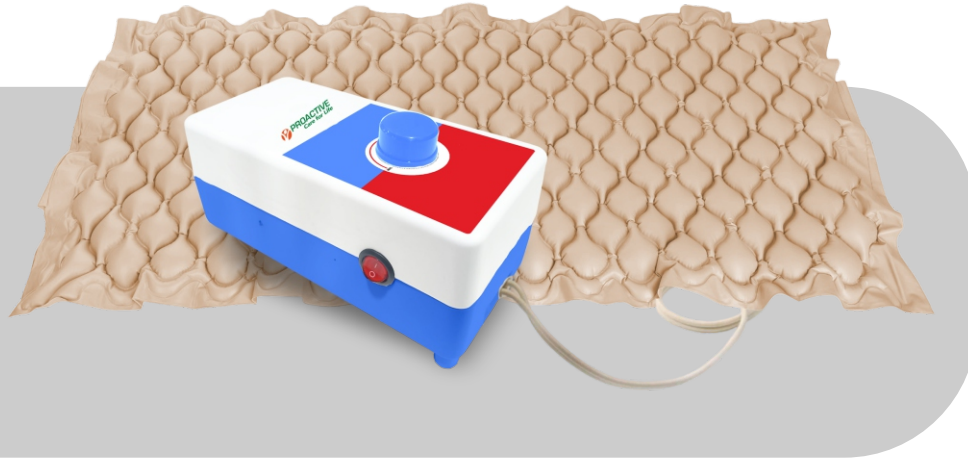

AIR MATTRESS

AIR MATTRESS

PAB-09

- Reliable & Easy to use
- Knob to Adjust Pressure
- Low Noise & Low Vibration
- Fixed Hook Easy to Fix on Bed Frame
- Portable/ Handy
- Pain Relief
- Durable Material
- Adjustable Hangers
- Variable Pressure Dial
- Low Power Consumption
- Medical Grade PVC
- Alternate Therapy

ASHTMA SPACER

ASHTMA SPACER

- Effecte & Instant Relief
- Simple One Touch Operation
- No Side Effect
- Waste Less Medicine
- Highly Accurate & Reliable
- Reduces Need For Patie t Co-ordination
- Reduces Cold Freon Effect Spacer

HEMOGLOBIN METER

Digital Hemoglobin Meter

HB METER -MICROCUVETTE

POC-30

- Sampe Volume Less than 10ul
- Reading time Upo 10sec
- Auto Calibration
- Reagent Free Microcuvete Technology
- Measuring range from 0-25g/dl

OUR DIAGNOSTIC RANGE

Vibrocheck (Biothesiometer)

BPro (ABPM)

Health Kiosk

●●● DOPPLER FETAL MONITOR

- HD Fetal Heart Sound
- Multi-Parameter working Mode
- Waterproof Probe
- Can Use Headphone or Speaker

●●● MEDICAL STETHOSCOPE

●●● Tunable Diaphragm

Cardiology Stethoscope

↔ Dual Head Chest piece

Stethoscope

STETHOSCOPE

PMS-10 & PS-10

- S.S Chest Piece
- Twin Tube Desing
- Soft Sealing as Knobs
- High Acoustic Sensitivity

●●● OXYGEN CONCENTRATOR

OXYGEN CONCENTRATOR (10 LTR)

OC

- 24 hours work Continuously
- Low sound Level Less than 45dB (A)
- Strong ABS Shell
- AVG Oxygen Purity 93%±3%

OXYGEN CONCENTRATOR

BODY WEIGHT MACHINE

BODY SCALE (BT)

PBF-01

- Bluetooth Content
- Automatic power off
- Backlit LCD screen Display
- Better Stability
- Low Battery Indicator
- Capacity 180 kg
- Tempered Glass+ ABS Plastic
- Precision Result
- Instant Step on Technology
- 6 mm thick of Glass
- 30x30 cm comfort standing
- Silk Print Pattern
- Glass R 20

Personal/ Bathroom Scale

PWS-01

- Automatic power off
- Backlit LCD screen Display
- Better Stability
- Low Battery Indicator
- Capacity 180 kg
- Tempered Glass+ ABS Plastic
- Precision Result
- Instant Step on Technology
- 6 mm thick of Glass
- 30x30 cm comfort standing
- Silk Print Pattern
- Right Angle Glass

BODY WEIGHT MACHINE

3 IN 1 WEIGHING SCALE

MBP-10

- Attractive design
- On-off button, Power-Saving
- Auto-lock weight
- 6 mm thick of Glass
- Baby's Safety Tray
- Baby, Child & Adult Use
- Ready to Use
- 30x30 cm comfort standing
- Low battery indicator
- Large easy read display
- 180 kg Capacity
- Precision result

Personal/ Bathroom Scale

- Right Angle Glass

MANY MORE PRODUCTS

Electric Gel Pad

(Extra Soft Material)

ELECTRIC GEL PAD

- Easy to Carry
- Soft Material
- Runs on Electricity
- Improve Blood Circulation
- Eliminate Muscle Fatigue

HOT & COLD WATER BAG

- Easy to Carry
- Leak-Proof
- User-Friendly Design

Hot Water Bag

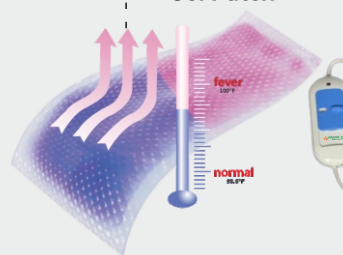

Hot & Cold pack

GEL PATCH COOL & HOT

- Quick defervescence
- Cold Compress Physiotherapy
- Long Lasting
- No Refrigeration Needed
- In-built twin thermostat
- Comfortable Heat Level
- Fire Proof Coated Heating Coil
- Washable Cotton Cover
- 4 Layers of Insulation

Medical Cooling Gel Patch

Electric Heating Pad

PHP-10

ALCOHOL SWAB & LANCET

- Suitable for Cleaning the Wounds
- Hygienically Processed
- Bacteria Resistant
- Fine Gauge
- Universal Design For Almost all Lancing Device
- Consistent Depth Penetration

Pre-Injection Swab

POCT Lancet (Round)

STEMER

- Pure & Gentle Steam
- User Friendly
- Easy to Clean
- Plastic Body to Prevent Shocks
- Sleek Design

Conceiving Ideas

PHI think tanks have developed many unique Products.

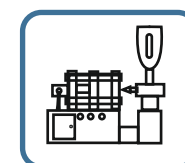

Designing

PHI has in House Design studio For Product designing.

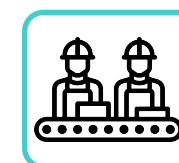

Product Development

PHI also has in house tooling facility with equipments like Spark Erosion Machine (EDM) & VMC.

Injection Moulding

PHI has 8 State of art injection Moulding Machine with various Capacities.

Assembly

PHI has state of Art Continuous line for Quality Assembly of Products.

OEM

PHI is OEM/ODM For renowned Clients in India.
